

SAINT RITA CHURCH

8709 Preston Highway • Louisville, Kentucky 40219 • (502) 969-4579

April 19, 2013

We were thrilled to have Gary Montgomery as our presenter for this year's multi-parish mission. I had heard of his style and love for the Church and I was not disappointed.

He came with great energy and touched people of all ages with his presentation.

Gary used scripture and interwove his life experience to the delight of everyone, myself included.

He later gave a talk to our confirmation candidates with the same enthusiasm and he impressed our youth with his commitment to the faith.
